## Quote of the Day

"After September the 11th, 2001, I told the American people that the road ahead would be difficult, and that we would prevail. Well, it has been difficult -- and we are prevailing. Our enemies are brutal, but they are no match for the United States of America, and they are no match for the men and women of the United States military."

-- President George W. Bush (6/28/05)
